Developing a Personal Fitness Program

# EXCUSES

For those of you who **don't** want to get fit, feel better, look better or fly better....

I have a couple of excuses you can use.

# EXCUSES

“I decided to change calling the bathroom the John and renamed it the Jim.”

**“I feel so much better saying I went to the Jim this morning.”**

# EXCUSES

“I didn't make it to the gym today.”

**“That makes 1,500 days in a row.”**

**“Before starting a physical fitness program, it is very important that you see your Doctor and get a thorough physical examination “**

Flying Florida Vets

**ARMY AVIATOR TAKES VETS TO THE SKY**

Rich Burns, of the Village of Hemingway, wants to give back to fellow veterans in a unique way. The Army veteran has offered to fly other veterans at no cost in his Cessna 172 Skyhawk plane for short trips so they can see The Villages from the plane in the skies. "It's kind of selfish, because I enjoy it so much," Burns said. You can contact Burns by phone at 352-391-1233 for information.
